Dear Cathy Collins-Fulea,

This is notification that the program **Midwifery in India: Comparison and Contrasts to Care in America** has been **approved** for Contact Hours (“CEs”) by the American College of Nurse-Midwives (ACNM) from 08/15/2024 — 08/14/2026 by the American College of Nurse-Midwives (ACNM).

ACNM Program #	Title	Total CEs Awarded
2024_008SAE	<b>Midwifery in India: Comparison and Contrasts to Care in America</b>	CEs: 12

Please include the ACNM number on the certificate of attendance issued to program participants. You must also use the ACNM number in all future correspondence regarding this program.

In compliance with the International Association for Continuing Education and Training's (IACET) criteria for granting continuing education units, it is the program sponsor's responsibility to maintain for 7 years a record of program participants including the following information: name and address of the

sponsor; individual's name and some identifying number such as AMCB certification number or social security number; title of the course and activity; completion date of the activity; number of contact hours awarded; and assessment results if available. It is not necessary to send to ACNM an attendance list or evaluation form of the program upon its completion. We also recommend the information included in the record appear on the certificate of attendance.

If you have any further questions about this program, please do not hesitate to contact ACNM at (240) 485-1857 or [ce@acnm.org](mailto:ce@acnm.org).

Sincerely,

*Stormee Bailey*
