A CULTURAL VISTAS PROGRAM

Professional Meeting/Visit Documentation

Documenting the exchange, identifying the facilities, recording the presentations, speakers and discussions, will be an invaluable resource as you and your delegation members plan future collaborations, publications and share best practices with your colleagues. The meeting/visit documentation will also serve as the educational validation for continuing education credits/units accreditation.

Date of the Meeting/site visit *

Month Day Year

Presentations, business cards, facility information collected? Please give all hard copy materials to your Delegation Leader. *
